

PSD Early Childhood Spotlight!

Providing Comprehensive Early Childhood Services
for families and children from birth to age 5!

NEWSLETTER : AUGUST 2022

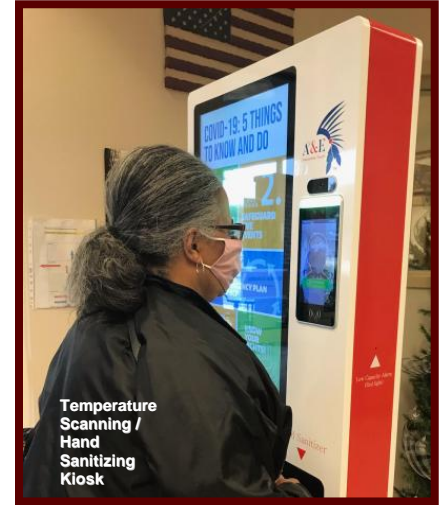

Dear Parents,

WELCOME BACK!!! We are excited to have your children with us for the 2022-2023 school term! Although we are again facing challenges navigating COVID-19, I want to assure you that we are doing everything possible to ensure that our children, staff, and families are safe. For example:

1. Masks are required for all staff, visitors, and children over the age of 2. Please practice masking with your children so that they get into the routine of wearing masks when entering and exiting the building. In classrooms, teachers are trained to utilize social distancing as much as possible.
2. AT ALL HS/EHS/CCP SITES: Visitors are temperature scanned and hands are sanitized at the door. Scanning kiosks ensure that we are alerted immediately if someone has a temperature over 100.4°F (see photo to the right).
3. We minimize the number of people who are allowed in our early childhood classrooms. This ensures that we can always account for who are in the classrooms at all times.
4. Full-room air sanitizers have been placed in each classroom. These sanitizers not only eliminate odors and reduce dust, but eliminate contaminants in the air.
5. All classroom materials and carpets are sanitized multiple times per day.

We are glad that you sent your children to us so that they can learn, play, and grow!

~Dr. Pamela Thomas, Early Childhood Programs Director
